Exploring Connections in the Past: Archaeology and Network Analysis

- What is network analysis? And how do archaeologists use it to interpret data?
- Please join our informal discussion of this topic
- All are welcome
- Contact Dr. Heyn for access to articles on Canvas site: mkheyn@uncg.edu
- First meeting: Friday, Nov. 4, 12:30-1:30, Graham 421
- Light lunch will be served

Questions about Disability Access? Please contact Shannon Byers slbyers@uncg.edu
